THE NEWPORT MARKET ARMY BANDS SCHOOL

URGENTLY NEEDS FUNDS

towards the great work of training poor boys for entry into Army Bands

Major-General the Earl of Athlone in his report on his inspection of the School states that the cadets are a well-set-up and sturdy lot of young fellows, that their marching was very good, and their drill and handling of arms was good.

His Lordship further stated that he was very pleased with all he saw, and he congratulated those in command. 78 boys are now being given a good home and training in the School, and most of these boys are the sons of soldiers.

THE MONTHLY ARMY LIST

FOR

NOVEMBER, 1934

NOTICES.

Under the provisions of the Army Act, 1881, Section 163 (*d*), this Army List is evidence of the status and rank of the officers mentioned in it.

No Army List, except this List, its Half-Yearly Supplement and the Half-Yearly List, is authorised by the War Office.

The figures in square brackets thus **[1]** after the titles of Infantry regiments denote the former regimental districts to which the regiments belonged.

The badges, &c., borne on Regimental Colours are shown after the titles of Regiments, the " centre " badge being printed in heavy type. In the case of Regiments and Corps which do not carry Standards, Guidons or Colours, the badges &c. shown after their titles are borne on their Clothing or Appointments.

The words subscribed to the titles of regiments, as " Peninsula," " Waterloo," " Neuve Chapelle," &c., denote the Honours awarded to such regiments in commemoration of their services. Those printed in heavy type are borne on their Standards or Colours, or, in the case of regiments having no Standards or Colours, on their Appointments.

Officers whose names are printed in *italics* are on the supernumerary or seconded lists.

In regimental lists of Foot Guards and Infantry an officer's battalion is indicated by a number in elliptical brackets, *e.g.* (2) after his name; a number enclosed in square brackets, *e.g.* [2], denotes that the officer is *attached* and not posted.

Communications from Officers of the Militia, Territorial Army and Supplementary Reserve regarding the entry in this publication (*a*) of letters denoting military qualifications, and (*b*) of the symbol ⚔ denoting War Service, should be forwarded *through the usual official channels*. Other communications regarding alterations, errors or omissions should be addressed direct as follows :—

THE UNDER-SECRETARY OF STATE,
The War Office,
Army List. *London, S.W.1.*

Officers who succeed to peerages, baronetcies or courtesy titles are responsible for immediately notifying the fact to the Under-Secretary of State, The War Office, in order that the necessary alterations may be made in the Army Lists and in the official records of the War Office.

OFFICIAL HISTORY OF THE GREAT WAR

MILITARY OPERATIONS

MACEDONIA, Vol. I.

The history of the campaign in Macedonia during the Great War will be completed in two volumes. This first volume follows the fortunes of the Armies in the field down to the Battle of Dojran in April and May 1917. On the political side it includes the deposition of King Constantine of Greece in June, an event which put an end to the division of Greece into two hostile camps and brought her into the War on the side of the Allies.

While the military problems are not less interesting and instructive than those of other campaigns, the student of political affairs will find in these pages an unusually detailed account of the effects of conflicting national policies upon the strategy of allied armies.

MILITARY WIDOWS' FUND. BRITISH SERVICE.

This Fund enables a British Service (Army) officer, by subscribing from Rs. 6 to Rs. 10 per quarter, to assure, in the event of his death while on the Indian Establishment, immediate payment :—

To his widow ... ... Rs. 8,775 to Rs. 12,375
For each child ... ... ,, 750 to ,, 1,125

Payments are made immediately on receipt of report of death, irrespective of death occurring in or out of India.

The sum paid to the widow varies with subscription, and the sum for each child varies with age of child. Subscriptions are based on the rank of the officer.

Benefits are payable whether the deceased officer's family is residing in India or not.

It is to the advantage of an officer to join the Fund on his first tour of service in India, as otherwise, on joining it in a subsequent tour he would have to pay subscriptions for any previous tour in the country as a married officer, but not in excess of four years.

The Fund (late Queen's Military Widows' Fund) was established in 1820, to assist families of British Service (Army) officers dying in India, and mainly to enable them to return home without delay.

The Fund is controlled by a Committee consisting of and elected by subscribing officers serving at Army Headquarters, Simla.

For admission apply to :—

The Secretary,
Military Widows' Fund,
Army Headquarters, Simla.

Deputy Chairman—Major-General H. W. DUPERIER.
Secretary and Treasurer—Brig.-Gen. D. G. PRENDERGAST, C.M.G.,
97, Jermyn Street, S.W. 1.

This Home (opened in February, 1854) was founded in 1851, in memory of H.R.H. Adolphus Frederick, Duke of Cambridge, K.G., to provide a home for widows of Non-Commissioned Officers and Privates of the Army. They are not to be under 50 years of age, but there is no restriction as to religious persuasion.

Since its opening, 482 widows have been elected. There are 70 widows in the Home, in addition to 20 widows receiving pensions. Each inmate has a furnished room, and receives twelve shillings a week and a monthly allowance for coal in addition to other amenities.

The total funded income of the Charity falls short of the estimated average annual cost by about £1,000.

The Committee make an urgent appeal for additional subscribers, as every year a considerable number are lost through death.

Most Corps, Regiments and Regimental Depots make annual subscriptions; but the Committee have also relied upon retired officers, and it is to them that a special appeal is made.

Every person subscribing half-a-guinea annually is entitled to one vote at each election, and a donation of five guineas ensures one vote at each election throughout life.

(2) To make grants in aid of rents to persons similarly qualified.

(3) In affiliation with the Officers' Association, to give financial assistance in connection with housing, either by way of grants or loans, in cases of special distress, to officers, whether disabled or not, and their widows and dependants.

All houses, flats and funds are necessarily reserved for those whose means make it impossible for them to provide decent homes for themselves and their families, without such assistance as the Association is able to give. In the consideration of applications, special regard is had to the extent to which the applicant's income has been reduced as a direct result of War Service.

Preference is always given to those with young families.

All applications should be addressed to the Secretary,

THE DUKE OF YORK'S ROYAL MILITARY SCHOOL
(DOVER)

President—FIELD-MARSHAL H.R.H. THE DUKE OF CONNAUGHT, K.G., &c.

Commissioners.

Chairman—THE PAYMASTER-GENERAL,
and 11 others.

A candidate for registration for admission to the School must be the son of a warrant officer non-commissioned officer or man who is serving or has served in the Regular Army, or of an officer who has been promoted from the ranks to a commission in the Regular Army. Preference in general is given to orphans, and to those whose fathers have been killed in action or have died while in the Service or after leaving the Service. Those selected by the Board of Commissioners are admitted between the ages of nine and eleven years, provided they reach the required medical and educational standards. The School's waiting list is a long one, but each application is considered on its merits, the career and character of the father while in the Service being always considered as principal recommendations.

A limited number of boys, age nine to twelve years, may be admitted to the School on payment of fees, preference being given to the sons of soldiers proceeding abroad or to a station at home which is inconveniently situated for the purpose of the education of senior boys.

The normal age for leaving the School is fifteen years, when boys may (*a*) join His Majesty's Army, (*b*) return to their homes or to an occupation in civil life, or (*c*) if recommended, continue their education in the Upper School until the age of nineteen years.

There is no obligation for boys to enter the Army from the School but those who do not intend to do so are not retained beyond the age of fifteen years.

Two Scholarships are available for boys who qualify at an Army Entrance Examination for admission to the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst. The value of a Scholarship is sufficient to cover the whole of a boy's expenses until he enters the Army as an officer.

Further information will be given on application to the Secretary at the School.
